Microsoft 365 Enterprise Benefits

Productivity Server Licenses
Unlimited installs of SharePoint, Exchange, and Skype for Business Server, on dedicated hardware (not multi-tenant), for use by Microsoft 365 licensed users

Office Device Licenses
One traditional Office Professional Plus device install for existing Software Assurance (SA) users, and new users up to the number of existing from SA users

Microsoft 365 Enterprise Benefits

Additional Licensing

Microsoft Managed Desktop
Microsoft Managed Desktop (MMD) is an add-on to Microsoft 365 E5 that delivers a modern managed desktop directly from, and supported by, Microsoft.

Flow
Microsoft 365 plans include Flow for Office 365. Additional Flow licensing can provide more runs per month, Common Data Service integration, and connectivity to LOB services.

PowerApps
Microsoft 365 plans include PowerApps for Office 365. Additional PowerApps licensing and can provide model-driven apps and Common Data Service integration.

Workplace Analytics
Use Workplace Analytics to identify collaboration patterns that impact productivity, workforce effectiveness, and employee engagement.

Additional Storage
Top-ups to the included storage in Office 365 can be purchased at cost-effective rates.

Project Online
A complete cloud-based project and portfolio management solution, and provides a way to move MS Project software licensing to a user subscription.

Visio Online
Allows users to work with Visio diagrams directly in the browser, and provides a way to move Visio software licensing to a user subscription.

Calling Plans
Calling Plans are an add-on to Phone System (part of Office 365 E5) which provide users with fully-featured public telephone numbers directly from Office 365.

Additional Licensing

Microsoft 365 F1
Microsoft 365 E3
Microsoft 365 E5
Microsoft 365 E5 Security
Microsoft 365 E5 Compliance
